

## Wine at Kioku

Wines at Kioku focus on grape varieties, starting with lighter crisper styles at the top the page, working downwards to richer, deeper styles at the bottom. We also invite you to explore a number of areas of focus which we recognise as important in our flavour memory, for example Island, Coastal and High Altitude wines.

# Grower Champagne Non-Vintage

Grower Champagne is often celebrated for the attention and care these artisan vigneron give to specialist sites, producing specific cuvées from their own grapes.
